- Turkeys will be harvested the morning of each pickup date and picked up fresh. You will need to freeze them for Thanksgiving or Christmas.
- Giblet Sets (includes 1 heart, liver & gizzard) must be preordered. We will not have any extras available.
- Orders are to be picked up between 12pm-3pm on the date chosen.
- Reminder emails will be sent 2-3 days before order date with pickup instructions.
- Deposits are non-refundable and will be deducted from the final price upon pickup.
- All turkeys are the same age, so they will grow larger the later the date gets. In the past they have averaged 12-16 lbs on the earliest date, and 18-25+ lbs on the latest date.
- We are unable to take specific requests for sizes as we don't know the final weights until the harvest date arrives. Please allow flexibility when choosing your turkeys.
- Turkeys not picked up on the scheduled date will be frozen and placed for sale the following Tuesday. Orders not picked up will forfeit your deposit.
